KapataganPH: ICT in Education at the Community Level

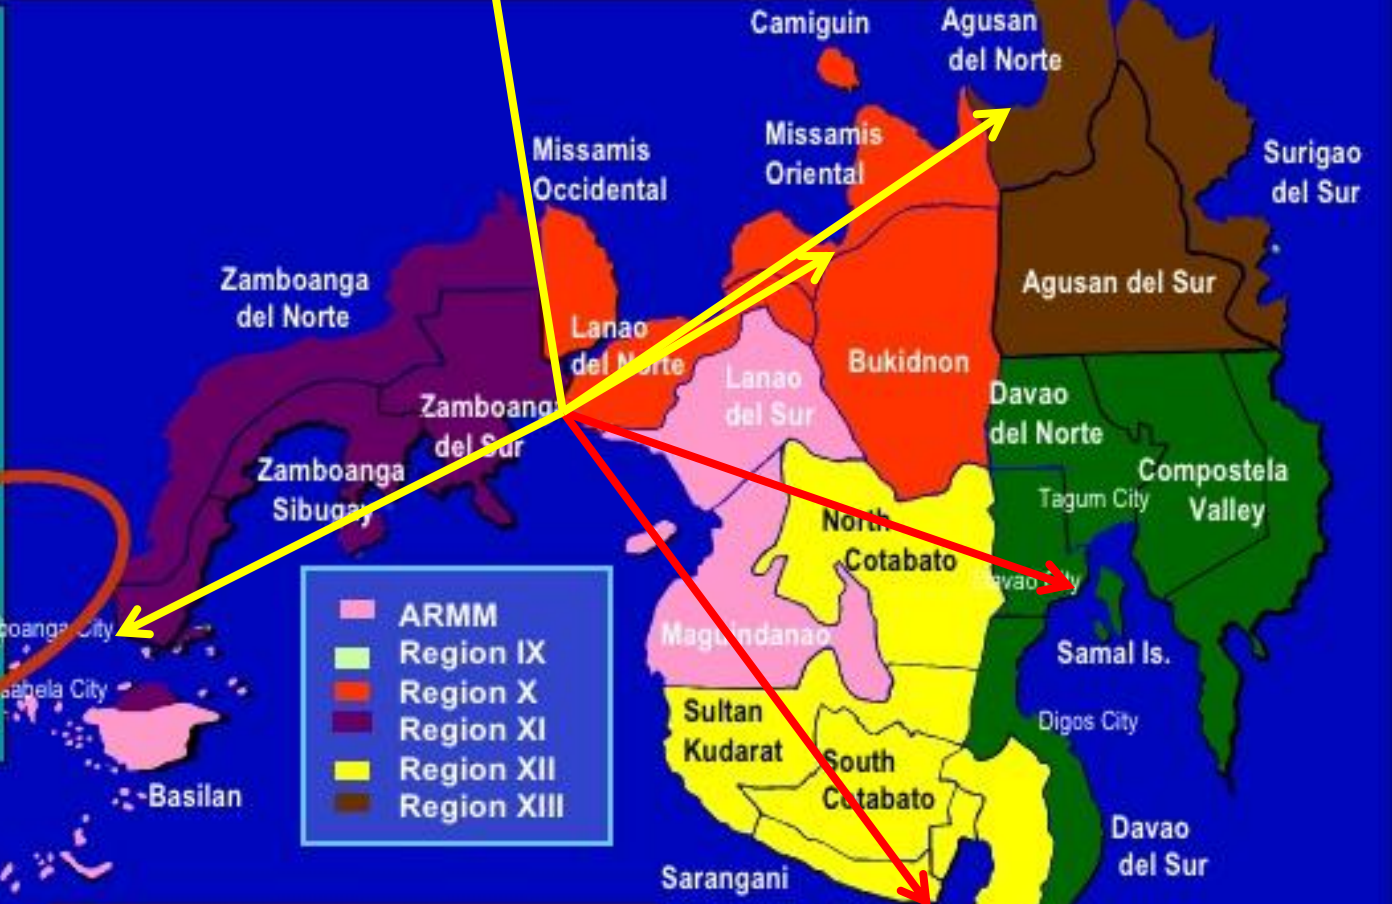

Jhonny Paul Hui Lagura

An aerial photograph of a vast, lush green landscape, likely a rural area in the Philippines. The terrain is a mix of vibrant green fields, some with visible furrows, and clusters of palm trees. In the middle ground, a small village with several buildings is visible. The background shows a dense line of trees and a body of water under a clear sky. The overall scene is bright and verdant.

Kahumayan Grounds. More fun in the
Philippines
