

# The Central Colleges of the Philippines-English CENTER:

Programs and Challenges in  
Enhancing English Skills Among  
College Students

# Rationale

The CCP- English Center is an avenue specially designed to provide consistent and non-discriminatory trainings/workshops throughout the semester.

It offers various programs / activities to enhance the English speaking skills of the students of Central Colleges of the Philippines.

# OBJECTIVES

- (1) Provide intensive English programs to assist students in attaining proficiency in English;
- (2) Initiate trainings and seminars to prepare the interpersonal competencies of the students as work-ready graduates;
- (3) Build an English-speaking environment to encourage the students to use English.
