En Lee, LGT VP

LGT Venture Philanthropy

Rico Gonzalez, Xchange

What we've done: graduates hired!!

533 graduates since Jan 2013.

98% course completion rate

420 graduates hired by BPOs since Jan 2013.

P10,000 average starting salary + performance incentives

60% of total graduates hired 2 weeks from graduation.

80% of total graduates hired 2 months from graduation.

70% of all graduates still employed after 6 months.

Our Impact so far

70%

Most of our students are high school graduates and can't afford higher education

40%

Of our graduates were able to secure a job without work experience

3x

Salary multiplier for graduates who had work experience

100%

Of employed graduates now enjoy work benefits such as social security and healthcare

What's going on

- Now in two cities in Negros Occidental (incl. Bacolod)
- POC in Metro Manila
- > 2x students intake from 150/year in 2014 to 350/year in 2015
- Exploring using working capital notes and first-loss facility to scale model
